Subject: NCHGW PDI WP - cost estimates

Jean and Jeff:

Could we set up a time Monday to talk? Our attorney is asking if I can give her a rough cost estimate for the work in the PDI Work Plan. I would imagine that may take some pulling together, but I would like to chat Monday about if we can do that and how best to break that out.

Should only need 15 minutes. I'm available anytime except 10 to 11.
